

Greater Things Week 5 - Greater Intentionality

Read Ephesians 5:15-17 and Colossians 4:5

What does Paul mean by 'walking' in these verses? What is he referring to?

Why is it a good idea to carefully examine how we walk? How do you go about examining how you walk?

Can you think of a time where your behavior weakened your credibility? What about a time where it bolstered your claims about Christ and others took note?

How do both verses describe what it looks like to walk in wisdom?

Do you feel like your mindset is to "make the best use of the time"? If not, how can we begin to change that?

Describe a time in your life that you were intentional about making the best use of your time. It does not have to be super spiritual.

We talked about five groups of relationships on Sunday. Write down at least one name in each group that you can be intentional about reaching.

Family -
Neighborhood -
Work -
Hobbies -
Places you Frequent -

The five ways we talked about reaching out are below. Pick someone to share your list with and begin praying and thinking intentionally about how you can share Jesus' love with them.

- 1) Pray for them.
- 2) Invite them - to dinner, to hang out, to church, etc.
- 3) Serve them - be creative, your whole family can get involved in serving
- 4) Give resources to them - Podcast, sermon, music, blog, article, etc.
- 5) Share the Gospel with them

Where do you think is the best place for you to start being intentional about sharing your faith?
